What can you say about a team that each playoff season seems to threaten the balance and push people to throw their best. Saturday night playoffs started at six with a showdown between Trippin Out and Seein Double in a 1001 match to determine who would represent 3rd place A division. While the match proceeded it looked as though Trippin Out's chances would die out , but Seein Double's chances to finish the game were not in sync and giving to many opportunities to come back and try another chance at a win, Trippin Out finally managed to hit the double and advance. But their strive didn't stop there. Sunday Morning they were seeded on the top half of the bracket and things seemed to go smooth for them after getting an easy game against a team that didn't end up making it. However without the practice early on, things didn't look so good during the next round when they played Just Dew It, as they started to lose more games than they wanted. However that quickly changed when they finally buckled down and started getting serious. They advanced past and met up against Big Dawgz which turned out to be a great set of games to watch that ultimately shut down the Dawgz, who only had 5 people all night. Advancing to the Final Match to showdown against the Bad Boys who had played their way through the other side of the bracket. When the match started, both sides were pumped and you could feel a great matchup in the air. However, after 5 games of 301, the Bad Boys had won every single game and Trippin Out had nothing for their effort. It looked to almost be a defeat, but there was still a chance. The last 601 secured Trippin Out a point when Bubba took out a two dart out. Momentum slightly shifted and you could see the hope floating in the air. The First Cricket Match had Billy Strouse and Cody Gay against Sean Morehouse and Scott Thrap. The Score was high and the tables turned mid-game when Cody hit a Triple 17, Triple 20, & Triple 16 for a 9-Count. The Score was 5 to 3 and now the games were getting interesting. The second match up in cricket had Trippin Out ahead for most of the match, but Bad Boys ended up hitting big and winning the match. The Final Cricket Match also went to the Bad Boys. The Score was 9-3. Things looks bleak, but not hopeless yet. It all went to 601. Trippin Out needed both games to tie. The 1st match had the Bad Boys at a lead and once again Trippin Out was able to catch back up and take out the game before Bad Boys could hit the double they needed. The 2nd 601 match had Trippin Out taking a commanding lead all the way down into the 200's until the Bad Boys finally hit the double they needed to start scoring. Eventually Todd Brazzell took out a double 1 to end the game as Bad Boys were looking at an out. The Match was tied and down to yet another 1001 match. Both teams put their players down and the match started. Both teams were able to double in first person and score was neck to neck the entire game. Coming down to the doubles at the end, it was finally hit by Bubba Baxter on Trippin Out. For those that were watching till the end, it was truly a game to remember. Trippin Out started and ended the playoffs in a 1001 game, and for Bubba Baxter, he mentioned that it was a huge accomplishment and honor to be able to play with Trippin Out

SEASON DIVISION WINNERS

- A Division 1st Place Winner - Bad Boys
- A Division 2nd Place Winner - Steel Bad
- B Division 1st Place Winner - Mountain Top!
- B Division 2nd Place Winner - Darts for Beer
- C Division 1st Place Winner - Ruthless
- C Division 2nd Place Winner - Big Dawgz

Underdog Awards:
Steven Collins, Corin Noonan, Ben Melton

HELP SPREAD THE LEAGUE!

Steve Sweeney and Corin Noonan, along with the help and support of our league are starting a new phase in SADA to push our name out of our own community and into others. We can do this by starting a foundation to build on. The long term goal is to one day see a place where SADA can have tournaments, hold the savannah open, run the playoffs and not have to worry about the venue from year to year. This road is long and it will take the league coming together in order for this to become reality. During the Savannah Open this month, there will be items for sale to everyone attending that will go back into this cause and to cover the cost of the item itself. SADA is looking for your support in this ground forming movement!

THE LEAGUE'S DECISIONS OF CHANGE

Last year there was a great deal of change that took place as far as updated our ByLaws and PPM&R, but this year our new board of directors have been very cautious as what we should change or improve for our league. Check out new updates to these documents through our Form section on our website at savdarts.org. If you are interested in learning more about our board of director's meetings, feel free to attend a board meeting yourself! Board Meetings take place every 1st Wednesday of the month at the bowling alley on Tibet Ave. starting at 7 p.m.

SADA Joining Social Media

"Over the past year of being statistician, I felt that SADA needed to grow as a league and the only way that was going to happen was for it to accept Social Media is a norm of today's world and bring it closer to our Digital society as best as I could." - Corin Noonan

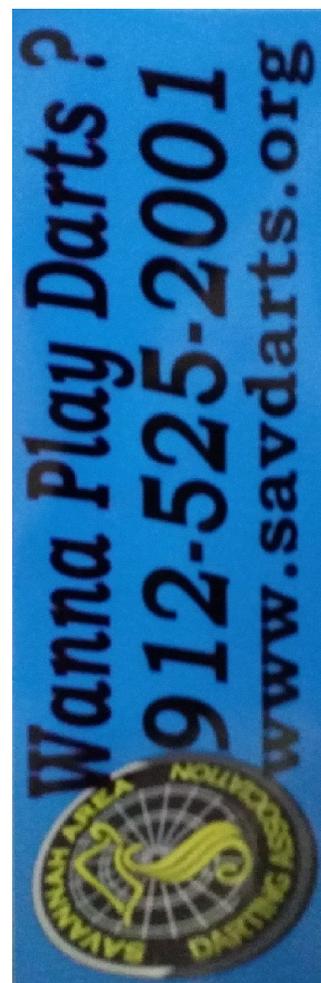

The Official approval will take place during the next board meeting on having these extra forms of medium to out-voice our thoughts and our attention. But the overall concept will be controlled by the statistician along with any other member of the board that is needed.

The Official Facebook SADA Organization webpage can be found at www.facebook.com/SavDarts

The Official Twitter SADA Account can be found by searching for @SavDartLeague

Upcoming SADA Events of 2015

August 29th	Scheduling Meeting @ Longbranch 11 a.m.
