## Trippin Out Takes trophy twice!

What can be said about the Fall 2014 SADA Playoffs? So many things happened in order for this 3rd place A Division team to win and overcome. It started with a Bracket that made the entire league happy, because for the first time since the playoffs had implemented 3rd place teams making it to the playoffs, all three of the A division teams were in the same bracket which guaranteed that a team would get a runner up or higher in the end that wasn't an A division. If you have been to the playoffs then you will know that it usually always ends up being two A division teams facing each other in the end, but this time the tide was turned! That aside, Trippin Out found themselves facing their rival Bad Boys for the starting match of the morning at 9 A.M. which probably worked to their advantage. Needless to say watching those games was almost embarrassing for both sides with the amount of darts thrown, but it ended up tied at the end. A 1001 match was played and Trippin Out took the win! During the same round, Steel Bad had secured their victory over Double Dartini advancing them to face Trippin out for the 2nd round! Back to Back A Division games? The road was tough, and once again Trippin Out found themselves tied after all games were done leading to another 1001 match! With everyone watching the outcome of this match, Trippin Out finally hit the winning double and secured their advancement into a Semi-finals! At the same time, Mountain top was playing B Town Bullies in a showdown that gave B Town Bullies the victory advancing them to face Trippin Out. On the other side of the bracket, 2nd place D Division T-Dawgs were set to play 1st place B Division Bulls Deep. T-Dawgs ended up securing a trip to the Finals and Trippin Out beat B Town Bullies to advance to meet them. Once again Trippin Out found themselves in a bind within the first four games of 301 it was tied and looking like a good match up! Things looked good for T-Dawgs as they played cricket and pushed ahead during a match. However after a couple of really close tosses, Bren-ton Rowan hit a 5 count on bulls in order to come back from a 75 point deficit in order to win his cricket game! This crushed the momentum and secured the ultimate win for Trippin out! The Team took the City Cup and T-Dawgs took the Runner Up! Bulls Deep was supposed to play B Town Bullies for 3rd place ribbon medals but folded to them, so B Town Bullies took 3rd place! The team then decided to give the MVP plaque to Anthony Bethell for his hard work and determination to never give up this season. Anthony's work during the regular season had shifted and he had been forced to stop throwing darts with the team because of the conflicting schedule at work. Even so, he showed up to the playoffs a little rusty but managed to throw when it counted! Congrats once again!

## Changes during the 2014 Fall Season

During several meetings throughout our 2014 Fall Season, the board members agreed on certain changes that would update and bring out ByLaws as well as our Policies/Procedures up to date with the new 2015 year approaching. One of these decisions at the end of last season was to remove anyone under the legal drinking age from our dart league. While this only affected a few people playing, it was voted and agreed upon due to several complications with minors being able to enter a bar and play. So, for the future, joining our league requires you to

be 21 and over. Also, the mentioning of Junior darter was removed completely throughout our laws. Additionally, the board also agreed that team signups would have to include players phone numbers and address for cases of emergencies or legal issues or contact purposes by the board. Sheets would not be accepted without these. Based on past issues with our money, the board also decided to remove the treasurer from being able to withdraw money from the accounts. This was suggested by our current Treasurer Robin Scarborough and ap-

proved by the board in order to keep any Treasurer from being able to take money on their leisure. Approval of a Ballot committee was made in order to keep the vote count at the playoffs during the Fall season separate from those who might be running in the elections. All of these changes have been currently uploaded and are available to download from our website. They will also be included in your captain's packet for the Winter 2015 Season. Hope you enjoy the new Rules and Changes!

### Vice President Corner

I would like to say Thanks to all my division representatives for the past year. We have had a great turnout at our Board meetings and the goal for the past couple of years were to get the By-laws and Policies and Procedures reviewed and updated. I feel with the help of the board I have accomplished this. I have and will always have the league's interest at heart. It has been a pleasure serving as your Vice President and looking forward to serving on the board in the future. For now I will sit back and enjoy darts.

Good Luck and Shoot Well!

SADA Vice President 2014

Glenn P. Jenkins
