Seen in Double finished the end of the season at 2nd place but that didn't stop them from looking to the playoffs as a way to finish with a victory. They started throwing on Sunday morning against The Dublin Outers who give it a tough fight for the win but Seeing Double took the match 10-0 and moving on to the 2nd round. Their journey next brought them to play DILLIGAF in the second round which took them all the way to the third cricket but ultimately won that round 11-1. The semifinal round was going to be a little tougher because they had to go up against the third place A division team Nuttin But Love who had previously put out Steel Bad in a 1001 game the round before. They took the match all the way to the first 601 eventually taking the win 12-3. The final round had brought them to a team they were no strangers to T-Dawgs. Seen Double and T-Dawgs were both putting up a great fight it came down to T-Dawgs needing both 601 games to take the cup from Seen Double. The first 601 game started and it was down to the wire and T-Dawgs taking the first game ultimately forcing a second 601 game. With a close match, Bob McGarry took his turn with only 12 left. Bob took his time and concentrated on his throw and his dart found double 6 and Seen Double took their win behind Captain Doug Snider leading them all season. Bob McGarry was named MVP. Team lineup from left to right: Doug Snider, Bob McGarry, Joe Wilkinson, David Powell, David Price, Bubba Baxter & Maury Alpert. Congrats to T-Dawgs who put a fight for city playoff runners-up.
