Steel Bad claims Victory at Playoffs!

So much hype was giving during the Fall 2014 Season when the playoffs feature 3 A division teams in the same bracket playing each other in some tough matches, but the overall mood of the winter playoffs seemed to have everyone in high hopes that it could happen again. Sure enough, there was one match during Saturday nights' matches that determined the outcome to move Steel Bad into the top bracket along with Bad Boys and Trippin Out. Lower division teams in the bottom bracket played with tons of motivation to make it to the final spots and even the 5 other teams in the top bracket on Sunday's matches gave it their best shot, but after the 1st round, the rematch of last years build up started again. Bad Boys and Trippin Out faced each other in a match that started to look like Trippin Out would secure a 3rd in a row trip to the top, but was ultimately put down after a few games of cricket and 601 leading to a Bad Boys victory. Steel Bad found themselves in the bottom part of the upper bracket and pushed through the 3 rounds to secure themselves to the Semi-finals against the Bad Boys. Adrenaline and determination fueled these teams, but Steel Bad's darts were finding their marks and Bad Boys fell short after a couple of really close matches. Meanwhile at the bottom bracket, Hillbullies and High Voltage found themselves facing each other in the Semi-finals which just seemed like another night of B Division for them. Hillbullies pulled the win and went on to the finals against Steel Bad while Bad Boys and High Voltage played a match of 1001 to determine who would claim the 3rd place Bobby Brown award. Bad Boys beat High Voltage and took home a lovely yellow ribbon? Regardless of the prize, Travis Stacey showed that no matter what place you end up getting, its about having fun and accepting whether you fell short or won by congratulating the winners and wearing his ribbon. Steel Bad vs Hillbullies played each other for the Finals and the matches were very close and could have gone different ways, but after 3 cricket matches, Steel Bad found themselves winning 7—3 and secured the first 601 match to Victory. Honoring the excellent sportsmanship and darts thrown for their secured victory and road to the playoffs, the team agreed that Bobby Phillips was their teams MVP. Left to Right: Maury Alpert, Bobby Phillips, Maceo Hayden, Henry Shuman, Chris Daniels, Glenn Jenkins, Paul Morris.

HELP SPREAD THE LEAGUE!

Steve Sweeney and Corin Noonan, along with the help and support of our league are starting a new phase in SADA to push our name out of our own community and into others. We can do this by starting a foundation to build on. The long term goal is to one day see a place where SADA can have tournaments, hold the savannah open, run the playoffs and not have to worry about the venue from year to year. This road is long and it will take the league coming together in order for this to become reality. During the Savannah Open this month, there will be items for sale to everyone attending that will go back into this cause and to cover the cost of the item itself. SADA is looking for your support in this ground forming movement!

2015 Welcomes back the Savannah Open!

Thanks in part to James Stevenson returning as our tournament director, SADA is once again hosting the Savannah Open. The Flyer to the right is available to download and view from our website's tournament section.

This Month from the 22 through the 24th, it will be taking place in Pooler, and through these arrangements, the event itself is a BYOB event. There will be no alcohol provided or sold by the league, and there will be no alcohol consumption allowed in the parking lot or outside areas. If you plan on attending while drinking, SADA reminds you to please drink responsibly and keep your alcohol in your room, not your car.

Additional Information can be found on the actual flyer. Hope to see you all there!

NEW BUMPER STICKERS FOR 2015 ARE HERE

The League's Decisions of Change

Last year there was a great deal of change that took place as far as updated our ByLaws and PPM&R, but this winter season our new board of directors have been very cautious as what we should change or improve for our league. Check out new updates to these documents through our Form section on our website at savdarts.org. During our last meeting, the board agreed that no division would be exempt from having a Bye or a 6/10 division tea, unlike the previous ruling that

Malicious Attacks can Happen to You!

In the digital world, hackers are constantly trying to find ways to steal & cheat in order to profit their lives, and they do this through attacks against the average person just like you. SADA takes precaution to safeguard ourselves from such attacks, but it also starts with you as well at home. Most of us know while using the internet you are open to attacks from worms or clicking on the wrong link can download a virus to your computer, but keeping you computer anti-virus free and avoiding these errors can keep hackers from stealing your information. Another form of information retrieval is phishing, where people go through your garbage in order to read your bank statements or information that can be used to steal your identity. Don't become a victim of any of these methods can make sure you protect yourself from these attacks. During an emergency meeting called on Monday the eleventh of May, it was revealed that our bank accounts for SADA had been hit all at once through an external malicious attack, and currently there is an investigation into the attack. Meanwhile the board decided to move all the money into new accounts to protect the league's money and to further protect ourselves from any further attacks. It is unsure as to how this happened, however the investigation is ongoing and SADA has done all that it can to protect itself from further attack. So, once again it is strongly recommended that you be careful while you surf the digital world and make sure you don't give people information that you don't trust.

Fall Season Luck of the Draw Results

1st Place Trophy Winners: Anthony Bethell / Payton Moxley

We had over 150 people show up for the Luck of the Draw during our playoffs. There were a lot of good matches and teams that played, but it was Anthony Bethell and Payton Moxley who took the top spot. Thanks to Herman Metcalf again provided the software and print sheets for our luck of the draw which becomes more efficient after each playoff.
