NEVER STOP SERVING

Dear Friends of Savannah and the Veterans of Foreign Wars:

I am hopeful that you are aware of our organization and our efforts to continue serving our great country and veterans who have served in areas of combat. Our moto this year is "Never Stop Serving", as a representation of the efforts that our post has to its community, military, and emergency services families.

We are home to veterans who have served in combat during; the World Wars, Korea, Vietnam, and the Global War on Terrorism just to name a few. For over 85 years, our Post has been a member of the Savannah family since its creation on April 21, 1932.

This year we are holding our **First Annual Golf Tournament for Heroes** to be held on **April 21st** at the Hunter Golf Club in Hunter Army Airfield. This event, along with our other charity and fund-raising events throughout the year will provide us a huge opportunity to give even more back to our Veterans and their Families. We will allocate donations received for this event to (1) VFW National Home for Children (2) Our Local Homeless Veterans Program (3) continued support for deployed Soldiers from Fort Stewart Georgia and Hunter Army Airfield.

Please assist us in making this event a success and standard for years to come.

We are dependent upon the cooperation and generosity of the community to ensure the success of our ongoing support to our Military Veterans, Active Duty Service Members and their Families. To this end, we are offering numerous ways in which you can support our efforts. These include direct sponsorships and the donations of items for our silent auction and end of tournament raffle.

If you have any interest in providing support or require further information, please do not hesitate to contact us by e-mail at JVC_VFWPost660@outlook.com or by phone at 912-247-1711.
