NEWS FEED

Jun 08 A Division Dart Connect

If you haven't heard, we are currently in a trial run for A division using DartConnect. We have been told that players in other division are wondering why A division stats aren't showing on our website. All of the stats are in DartConnect, which Herman and Corin are currently running together as admins for this trial. We realized that even tho for A division players, the stats are available with their dart connect logins, it does not provide that information for anyone else outside of A division. You can find the Savannah DartConnect stats on the extra tab of the Menu for DartConnect Stats.

For those that want to see the stats directly on the Savannah Area Dart Associations' DartConnect page, you can use the following link:
