PLAYER DARTCONNECT ACCOUNT
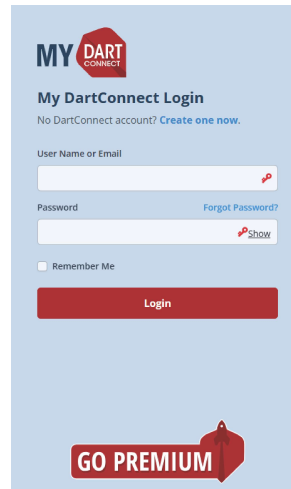

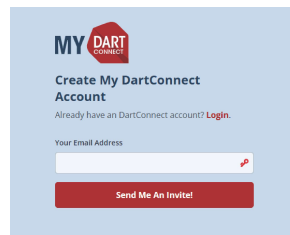

1. Creating new Dartconnect Account
   a) Using a web browser go to my.dartconnect.com/login to bring up the following screen.

   b) Select "Create one now" in light blue which will bring up the following screen.

   c) Then enter in your email address and select "Send Me An Invite".
   d) Open that email account, find the invite and follow the instructions to create a Free or Premium account.

2. Notifying SADA of new Dartconnect account.
   a) At Team signups: have email account filled out on the roster form for all players.
   b) Mid Season with player already on a team: Have the player send an email to "savannahdarts@gmail.com" from the email account they used to create their new Dartconnect account with the subject line that reads as follows: "New Dartconnect account / Your Full Name / Team Name".
   c) Adding new player to team: Have new player email account, tied to their Dartconnect account, filled out on the Adds/Deletes form.
