Steel Bad started off the season like any other eager and ready to play. They made it through the first ten weeks of the season with no problem and then after taking a week off for what they thought was going to be St. Patrick's Day everything came to a screeching halt because of the Coronavirus. Then after a long four months off they were able to finish the season out as the second place A division team just 10.18 behind Bad Boys which meant that they had to play against the third place team New World Order on Saturday night. Steel Bad became victorious over New World Order and had the opportunity to play on Sunday morning. In the first round on Sunday morning Steel Bad drew a fairly new team from G division Darty Deeds, and for Steel Bad they fulfilled that deed to move onto the second round. In the second round Steel Bad drew their division rival Bad Boys. Steel Bad and Bad Boys fought tooth and nail but in the end Steel Bad became victorious once again against their division mates to move into the third round. In the third round Steel Bad drew a rising B Division team Long Shots. Long Shots took their best shot at Steel Bad but just came up a little short in the end. Long Shots would go on to play against the first place G division in the third place 1001 game and come out victorious taking home the third place medal. Steel Bad moved on to face Damn Wire a good team that has made a name for themselves down in D division. Damn Wire put up a great fight but in the end Steel Bad took home the coveted Gold City Cup and Damn Wire was happy to take home the shiny Silver Runner-up Cup. Everyone shot well throughout the season and during the playoffs but the Most Valuable Player award went to Bubba Baxter.

THE LEAGUE GAINS & LOSSES

2020 has been a roller coaster of a ride to say the least for the league. This league is one of the biggest families anyone could ask for. Our sunshine committee would like to extend thoughts and prayers for those whom need a healing touch in this past season.

Eddie Barratta had quadruple bypass surgery. Jan Sheppard had back surgery. Robin Kelley had surgery. Tod Lynch-Stanley had a pace maker placed in him. Steve Morrow has been ill. Dave Watt had a stroke and was flown home to England. Bob McGarry lost his mother. Billy Ennis' son Aaron passed away. Sharon Jervis was in the hospital. Long time dart player Scott Smith passed away. Dart player Frank Nelson passed away. Robert Humphrey passed away. Long time friend, owner of Linda's tavern and sponsor Linda McCord passed away.

We also know that with tragedy comes something that will always put a smile on a face. Our Sunshine committee would like to extend a congratulations to those whom that have had something wonderful or exciting happen in their lives this past season.

Jake Koshinski will be welcoming a baby boy soon. Ricky Griffin daughter Lorin got married.
